

Welcome to the Beckman Baseball 2025-2026 Season,

Our program has achieved unprecedented success over the last 18 years. We became the first baseball program to win a CIF Championship in Irvine City history, with our win at Dodger Stadium in 2011. And we have 2 CIF Championship titles with a recent win in 2024. We are still the only school in Irvine to win CIF! The team has also appeared in the CIF playoffs for the last 17 years straight (only missed 2020 due to no season).

Many of the players have continued their playing careers in college and professionally after playing at Beckman High School. The Beckman Baseball experience provided these players with the fundamental skills and baseball acumen to be able to play at higher levels.

In addition to the CIF success, we have won the Pacific Coast League Championship 9 times. Along with the on-field success, we have built and maintained a beautiful baseball complex that complements the incredible academic facilities at Beckman High School.

Funding for this prestigious baseball program comes from the donations and fundraising of families, friends, relatives and businesses. Since the Beckman Baseball Booster Club is a volunteer organization, 100% of the money donated and raised by you, goes directly toward the operation of the baseball program including: field maintenance and improvements, fan viewing improvements, uniforms, baseballs, pitching machines, batting cages, coach's stipends, umpire fees etc. The annual revenue needed to run this program is \$150,000 per year, or approximately \$2,500 per player.

The following Fundraising activities are planned for the 2025-2026 Baseball year:

Legacy Bricks
Baseball Banner Sales
Christmas Tree & Wreath Sales

Halo Classic Ticket Sales
Restaurant Night/ Snack Bar Sales
Hit-a-thon

We encourage all families and extended families to become Beckman Baseball Donors and to actively engage in all fundraising and volunteer activities. By engaging, you will get the self-satisfaction knowing that you contributed to the support of the many boys who participate in Beckman Baseball for eleven months of the year. Remember, no player will be denied participation based upon their ability or inability to pay.
